Dear Sir/Mam,

I am writing this reference at the request of Nishith Patel, who is applying for internship at Microsoft. I have known Nishith Patel for three years in my capacity as a teacher at Ahmedabad institute of technology. Nishith Patel took Python for data science and IOT from me and earned superior grades in those classes. Based on Nishith Patel's grades, attendance, and class participation, I'd rate his academic performance in my class as exceptional.

Nishith Patel has a number of strengths to offer an employer. He is always interested in helping others. For example, during my practical lab sessions, after completion of his practical's he used to help other students. Nishith Patel is also a very fast learner. He completed many courses from coursera and edx platform under my guidance to gain knowledge and also achieved many certificates.

In conclusion, I would highly recommend Nishith Patel. If his performance in my class is any indication of how he'd perform in the available position, Nishith Patel will be an extremely positive addition to your organization. If you need any additional information, feel free to contact me at telephone or by email at [chintan.nagrecha@aitindia.in](mailto:chintan.nagrecha@aitindia.in)

Sincerely,  
Chintan Nagrecha
